It's an honor for the residents in both Harrington Park and Old Tappan to have such great athletes. In addition all are going to great schools in the fall. University of Pennsylvania, East Stroudsburg and Harvard. This is all a credit to the support of the parents, family and the education system in the Northern Valley. Junior's Memorial Day Concert was a huge success. Recreation Commission assisted with selling the beer and wine. \$1940 was raised. Junior's are donating all the money to Recreation, along with an additional \$60-\$2000 total to be used to replace the bathroom doors at Highland Field. Key pads will be installed on new doors. If there is an event planned, or practice scheduled, coaches and those involved will have access to the bathrooms, rather than contacting someone from Recreation, DPW or Police. The total project will cost \$5666. In addition to the Junior's donation, the HP 5K has donated \$3000. The total balance out lay for Recreation will be around \$700 (painting will be additional).

The Highland merry go round was discussed at the last Recreation meeting. Even with various opinions, they were in agreement to remove the ride. They will be reaching out to the DPW to determine how it can be removed, with the least amount of damage. Two members are looking into the cost of replacing the ride with something age appropriate.

Backflow preventers have all been replaced. Thank you to Mr. Kiernan for working with Recreation on this requirement by SUEZ.

Recreation will be working with the Environmental Commission to plant some trees at Upper Highland Field. Preference is for something with a narrow drip line and low maintenance.

PAH noted that this Ordinance was initiated by crossing guard Edward Delaney, who noted the difficulties maneuvering through the street when there is bad weather and snow piled on the sides. Even in good weather there is much confusion and traffic in this area. This Ordinance will enable a much safer environment for all those walking to school from that area. GE added that until now, the Police used their Emergency capabilities to eliminate parking in these areas.

PAH noted he has concluded his time on the blacktop at the school since his grandsons are now graduating. The Crossing Guards are a great group of people who have extended great courtesies to know the students and their parents by name.
